

# RIC REPORT 2005

RIC Insurance General Agency, Inc.

## A Word from Ron

*We are already into August and "my – how time is flying!" It's been a very busy first seven months for 2005 - but it is time for me to slow down and turn the reins over to Gary Kitchen.*

*Gary is now here full time and is doing a great job. I consider myself very fortunate to have found Mike Sullivan and Gary. Even though I won't be in the office as often, I will still be available through them.*

*It's almost football season again and we are continuing our tradition of enclosing your 2005/2006 Pro Football schedule guide. If you want more than the one, please send your requests to Gail at gailn@ric-ins.com.*

*She will need your name, your agency name, mailing address and how many you would like.*

*It's first come – first served while they last.*

*Thanks again to all our RIC Producers. Keep those applications and bind orders coming. You are the greatest!*

## Systems Breakdown Coverage

Also known as Mechanical Breakdown Coverage, this coverage can be attached to a property policy. It's very inexpensive and popular, so if you're not including it in your quotes, give Teresa a call for more information about this valuable coverage.

## It's the Season

Lower rates are in store for you for your Pumpkin Patches and Christmas Tree Lots. Teresa reports that applications are available on our website at [www.ric-ins.com](http://www.ric-ins.com) so we're looking to see a lot of new business come in from you, this year.

## Personal Lines News

Mizart wants everyone to be aware that her Dwelling Fire Program is now writing DP-3 coverage for Secondary/ Seasonal Dwellings. Coverage is subject to acceptability, so contact Mizart to see if your risk qualifies.

## A Word from Gary Kitchen

Gary Kitchen  
President

*As the new guy on the block, and the new president of RIC, I'm pleased to announce that I am now aboard full time and I'm at your service. Mike Sullivan, Dennis Stanley and I may be new participants to the RIC experience, but we're committed to carrying on the traditions established by Ron, Gail, Teresa and the entire RIC staff.*

*I've been fortunate to meet many of you during our Road Shows earlier this year. As I explained, we will be maintaining the Tustin office and keeping the entire wonderful RIC staff. Communication will continue via fax, email blasts, telephone, newsletters and personal visits. Bottom line, you won't see any difference in the day-to-day activities, but you will be pleased to know that new markets and exciting programs are now available. If you're looking for Admitted Markets, our sister affiliate in Northern California – NWC is available to RIC producers. If you want more information, please contact Carol Platt at 888 693-7892.*

*As RIC's new president, I want to thank you for your continued support, and keeping with the tradition of Ron's "open door policy" invite you to contact me at any time with questions about the new ownership, concerns or comments about our products, or just to say "hi." I look forward to working with all of you!*

*Gary*
