

State Fund's latest issue of Safety News is now available

State Fund's latest issue of [Safety News](#) is now available. Safety News covers a wide range of safety topics that can benefit your clients by helping them prevent costly work-related injuries and provides in-depth, industry-specific content and safety meeting topics for five key industries:

- Agriculture
- Construction
- Manufacturing
- Public Agencies
- Trades & Services

This is a great opportunity to offer additional service to your clients. Please share the latest issue of Safety News with them. You can also access State Fund's [previous editions of Safety News](#).

We encourage you and your clients to visit statefundca.com to view their entire library of free safety materials, and visit their [Safety Blog](#) for additional topics and information.

Sincerely,

RIC Insurance Agency, Inc.
